Sewing Books

Coordinating Devotional Books

Catch the Sewing Bug is designed for younger hands working with adult ones. The book provides simple, do-able, fun projects. Each project builds upon skills learned in an earlier one, and by the time the child finishes the book, she will have a good grasp of sewing skills, and a lot of useful, fun things she has made. It is amazing how much even the youngest child, with a caring adult, a good machine, and this book can do! 40 pages, 25 projects. \$9.95

Sewing and Growing with Jesus - Devotions for use with *Catch the Sewing Bug*. Jump start your 4 to 8 year old's character training by interacting through projects, Bible stories and memory verses, devotions and songs. What a fun way to prepare our little ones for life! \$9.95

Learn to sew. From plugging in the sewing machine to creating a pair of pajamas, **Stitches & Pins**, guides the novice seamstress with clear, step-by-step instructions. 14 projects come with patterns, girls and misses, and are useful items the seamstress will be proud to use, wear, or give. Projects focus on mastering specific techniques and builds upon skills learned. 72 pages plus 8 pattern sheets. \$24.95

Sewing and Growing with God's Word - Devotions for use with *Stitches & Pins*. Teach your daughter life lessons from the Bible as she learns sewing is fun and easy, step-by-step. Sewing becomes a tool for developing her character as you work together to create projects while reflecting on parallel concepts in God's Word. Devotions, memorization, and life applications created to go hand in hand with each *Stitches & Pins* project, will help you provide a strong foundation for your daughters life. \$9.95

Buckles & Bobbins, is replete with projects arranged from elementary - a pillowcase and laundry bag - to the more advanced - duffel bags, back packs, cargo pants, and a reversible sports vest that can be customized with pockets, linings, and zippers. The step-by-step instructions and illustrations clearly present the chosen technique, with each project building upon techniques previously introduced. Boys patterns included. 80 pages plus 4 pattern sheets. \$24.95

Sewing and Growing with God's Wisdom - Devotions for use with *Buckles & Bobbins*, utilize this fun devotional to bond with your son as he completes projects. The devotionals include memory verses, words of wisdom and important life lessons. Spiritual concepts come alive as they are experienced through fun projects! devotion. \$9.95

Pins & Needles continues what *Stitches & Pins* started, delving into more difficult sewing techniques like waistbands, zippers, and set-in sleeves. There are sections on Polar Fleece, Heirloom Sewing, Quilting and projects using the Serger. In all, there are over 30 projects, something to be stitched or quilted for every season of the year. All the patterns, girls and misses sizes are included in a handy pocket built into the back of the book. 80 pages. \$24.95

Sewing and Growing with the Scriptures - A devotional book to be used with *Pins & Needles*, relating God's word to sewing projects and techniques. Coming soon. \$9.95

Pintucks & Lace walks you through the challenges of lace, applique, pintucks and other techniques used in creating heirloom style clothing. And it can be done in a fraction of the time that you would expect it to take. The 24 projects, complete with patterns, are designed to help you master new skills and build confidence as you create your own heirlooms. 96 pages. \$24.95

Sewing and Growing with Beauty and Grace - relates the projects and techniques in *Pintucks & Lace* to character qualities of a Godly woman. Coming soon. \$9.95

Whether you have one child to teach or a classroom full of students, you'll find your investment in this resource of great value. Every page in **Sewing Teacher Resources** is completely reproducible, and includes materials to help reinforce already learned skills, build confidence, and make a teacher's time with students more productive. 54 pages. \$16.95
